Good Cause Criteria **Comprehensive Amnesty Program**

Pursuant to Paragraph 326 of the Consent Decree in *U.S. v. City of Ferguson*, the City of Ferguson will eliminate all warrants and decline prosecution in cases initiated prior to January 1, 2014 unless, in the judgment of the City Prosecutor, good cause exists to continue prosecution. For purposes of this Program, the City will continue prosecution of any case initiated before January 1, 2014, if one or more of the following criteria are met:

1. The offense originally charged involved assaultive behavior or reckless endangerment to others, to include Driving While Intoxicated; or
2. The offense originally charged involves an identified victim who is available to assist in further prosecution of the pre-2014 case; or
3. The offense originally charged is a Driving While License Suspended or Driving While License Revoked, **AND**
 - a. The original Driving while License Suspended charge was issued because of something other than failing to appear or pay pursuant to RSMo 302.341.1; **AND**
 - b. The defendant is unable to show that either his license was reinstated, or that he is no longer driving.

If the first and any subsequent Driving while License Suspended or Driving While License Revoked charges were issued because the defendant's license was suspended based on failing to appear or pay pursuant to RSMo 302.341.1, the prosecutor will dismiss the charge(s).

4. The defendant has been convicted, either through plea or verdict, of an additional offense since 2014 that involves assaultive behavior, reckless endangerment to others, to include Driving While Intoxicated; or
5. The City Prosecutor reasonably believes that, in the interests of justice and public safety, the case should proceed. For cases left open under this provision, the City Prosecutor shall articulate the factors leading to the decision to continue prosecution in a written statement of findings.

Ferguson Monitorship Cost Summary: Years One & Two

The chart below summarizes the total cost of \$648,756.36 for work performed by the Monitoring Team during the first two years of the Monitorship. Specifically, the Monitoring Team charged \$350,000 to the City of Ferguson in Year One and \$298,756.36 in Year Two. Per the “Agreement Regarding Monitoring Costs,” which was signed by the Parties on February 5, 2016, monitoring of ongoing compliance and implementation of the Consent Decree by the Ferguson Police Department and Municipal Court will not cost more than \$1.25 million in total or more than \$350,000 in any single year, for five years. Accordingly, the Monitoring Team rolled over, to Year Two, any fees for work performed in Year One that were in excess of the \$350,000 annual cost cap. These Year One excess fees, which amounted to \$159,028.03, were incorporated into the Year Two costs.

In total, fees for work performed by the Monitoring Team in Year Two amounted to \$207,908.33. However, Hogan Lovells US LLP wrote off \$68,180.00 of its fees for work performed by its attorneys on a *pro bono* basis. As a result, the Monitoring Team charged the City \$139,728.33 for work performed during Year Two. The \$139,728.33 was thus added to the \$159,028.03 in fees for work performed in Year One for a total Year Two Monitoring cost of \$298,756.36.
